Interference Specialist Approval for Suspension: _____

Previously Suspended On: _____

C. ☐ **Suspension - Overlapping Applications by Same Applicant or Owned by Same Applicant (MPEP 709.1 and 2315.01).** Suspension of an application based on the outcome of a related application in interference to the same applicant or owned by the same applicant is to be avoided by prosecuting the application to the fullest extent. Such can be accomplished by treating as prior art the counts of the interference for the purpose of making provisional rejections and by insisting on proper lines of division or distinction between the applications. Use form paragraph 23.17 for a rejection based on the count of an interference. In some instances, suspension of action by the Office cannot be avoided (see MPEP 709.01). Interference Specialists Anthony Caputa, Cecilia Tsang, and/or Michael Woodward must be consulted for the approval to suspend action based on the outcome of pending interference using form paragraph 23.18.
